

# Improving the health of women through digital innovation, technology and education

*A side event co-sponsored by WHO and the Republics of Chile and Rwanda at the 67th Session of the Commission on the Status of Women*

**7 March 2023**  
**8:15 - 9:30 a.m. EST**  
**Conference Room 8**  
**United Nations HQ, NY**

Join us for a conversation about the gendered impacts of innovation, technology, education and health.

Member State and civil society representatives will discuss concrete advancements in women's health that have resulted from specific innovations in health, particularly for women and girls facing compounding barriers to health and wellbeing.
